

ALEX T THOMAS

freelance photo taker, video maker, rump shaker

available for:

documentary, travel, behind the scenes, CM, MV & fashion
video and stills, direction, editing and collaboration

based in Tokyo with a stint in Seoul, originally from Seattle.
life-long freelancer aiming to create images
that illicit cinematic nostalgia for strangers.

love to entertain, inspire and connect with others through
a variety of projects with genuine ingenuity.

always searching for something different;
the rare and the unique.
